NEWS & EVENTS

- Thanks to b/s for submitting the online survey to help us plan for the reopening of cell gatherings and worship. We have compiled the comment and suggestions and will share the findings to the congregation in the coming week.
- The "PGC Nil Distancing in Christ - Share Your Love"  campaign has been rapidly under way. Thanks to the hard work of the Pastoral team, visit and deliver gift bags to b/s. As quantity of the fabric face mask is limited, please send your request to your cell leaders asap, so more gift of love and gospel news could reach more non-believer friends and neighbours to receive the blessings.
- All videos collected for the "PGC - Nil Distancing " have been uploaded to PGC website. Please visit <https://m.peoplesgospelchurch.org/nil-distancing-in-christ/> .
